April is Autism Awareness Month - a time to commemorate those living with Autism and the families who love them. This disorder, which affects nearly 1 in 150 children, has been at the forefront of scientific research and the media in hopes of raising the public's awareness of this life-altering disability.

The Peoria Regional Chapter of the Autism Society of America hopes to do the same. The mission of this 501(c)(3) not-for-profit organization is to provide information and support to individuals affected by Autism Spectrum Disorders, their families, friends, and professional communities with whom they interact through public awareness, education, legislation and research.

The PRC of ASA is hosting the 2nd Annual Peoria Autism Walk with the goal to raise public awareness of Autism and raise funds to help families with Autism in need. Everyone is invited to participate in this 1-mile walk, including children. Strollers or wagons are welcome! No pets please.

By participating in The Autism Walk, you will be helping families affected by Autism by giving a child in need a second chance and a brighter future. Your money will help fund family support activities and provide scholarships to families who cannot pay for these services themselves. You have the ability to make a family and a life of a child with Autism brighter.
